South Kolkata, Kolkata – 700 029.

Project Period : - June 2007 – May 2008

Reporting Period : - Sep 1, 2007 to Nov 30, 2007

Funding No.: - SWA 07A 400

Brief Description of the project

The objects of the project are two – fold : - **I) Education** and **II) Health**

- I) **Education:** To create a village Environment involving parents and other community members so that all children of school going age are enrolled in primary schools.
- II) **Health :** To generate awareness among parents and help them adopt improved child care practices and spread health and hygienic education among the school going children with quarterly health checkups for them. One such medical checkup has already been made in all the 3 schools in this period. None of the children had any serious disease and /or disability.
